

Tenby's National Champion

Young Tenby Dolphins swimming star Bethan Davie (12) recently swam to double medal winning success at the 2008 ASA National Age Group Championships which were held in Sheffield from 24-27th July.

A bronze medallist at last year's championships, Bethan improved on her previous performance by claiming gold in the 12 yrs 100m breaststroke and bronze in the 200m breaststroke event.

Bethan who lives in Manorbier and is a pupil at Greenhill School is already a member of the Welsh Regional Squad, and the times she recorded during the championship now qualify Bethan for the Welsh National Youth Squad where she will have the opportunity to train with a number of aspiring Commonwealth & Olympic swimmers.

Please see Tenby Dolphins Press report for more details.
